Publons News

Publons Lead on Peer Review Globally

Tiago Barros, product lead at Publons, which enables academic researchers to show a more complete record of their impact as an author, journal editor, and peer reviewer, is the Keynote Speaker at the inaugural Peer Review Seminar on 12 September. Tiago will be speaking on the global state of peer review.

We want to hear from you: Take our short surveys

We'd like to hear your opinion on [BIOSIS](#) (Biological Abstracts, BIOSIS Previews, BIOSIS Reviews Reports and Meetings) and [Zoological Record](#). Take our short surveys to share your feedback and help guide future product development.

Visit us at the 20th Australasian Research Management Society (ARMS) Conference: 17 - 20 September 2019

ARMS 2019 Conference Theme

Research management excellence and impact: It's our business

As the landscape of scholarly research continues to evolve, so too do the resources and workflows that support this research management ecosystem. The Web of Science Group is revolutionising our business to support your institution and guide the research workflow of tomorrow. Visit us at booth 8 or book in a 1 on 1 meeting with one of our Web of Science Group experts to find out how we can work with you to transform the future of your Institution's research.

Indulge your inner foodie!

Enter our prize draw for your chance to win a Acacia Cheese board and knife set

This year's ARMS conference will be held in the beautiful coastal city of Adelaide. Famous for its laid back lifestyle, rich and vibrant art scene and food and wine culture. Celebrate what South Australia has to offer and visit us at booth 8 @ 11am on Day 1 and 2 for some South Australian cheese tasting. We also have 20 Acacia wood cheese board & knife sets to give away.
